### CARDILLIO 1, CARDILLIO 2

These luminaires have different lighting sources. Profil lights combined with spot heads create basic lighting as well as accent lighting.

Diese Leuchten verfügen über unterschiedliche Lichtquellen. Profilleuchten kombiniert mit Spotköpfen schaffen sowohl Grundlicht als auch Akzentbeleuchtung.

Ces luminaires ont des sources d'éclairage différentes. La combinaison entre un éclairage sur la base du produit et un spot vous permet d'avoir un éclairage général mais aussi directionnel.

### RIMBOCCHI, RIMBOCCHI 1

These luminaires can be controlled via the wall switch. This means that either the spotlights, the illuminated edge or everything together can be switched on by pressing the switch several times.

Diese Leuchten können über den Wandschalter gesteuert werden. So können bei mehrmaligem Betätigen entweder die Spots, der beleuchtete Rand oder alles zusammen eingeschalten werden.

Ces luminaires peuvent être commandés par l'interrupteur mural. Ainsi, en l'actionnant plusieurs fois, on peut allumer soit les spots, soit le bord éclairé, soit le tout.
